PRINCIPLES GOVERNING THE CON-DUCK OF THE APPEAL A GOVERNMENT of white men for LOTALTT to the Union of the STATES : FIREL-ITT to the Constitution in He true extent and

APPEAL," Memphis. Communications for publication must be writen on one side of the page only, and with TORS OF THE AFFEAL, Memphis.
We SERDED, as a rule, undertake to return arti-

ci s not found suitable for publication. THE CAUSES OF THE LATE CIVIL

WAR. Revolutions," Narotieon III says, in his Life of C.SSAR, "have long roots in the past," and it is quite certain that their causes, and those of social and pofor area to produce the ulti mate explosion, which shatters an Em-

doing their work before he was born.

He is but a poor and shabby pretender to statesmanship, who imagines that a ration with the questions unsettled, who is short, the causes of the war were keg, 13 ic. Gold, 140; sterling, 50653; to states manship, who imagines that a people, especially if composed of millions imade the Constitution and were the parmansfold, and the chief among them New York sight, i to premium made the Constitution and were the parmansfold, and the chief among them New York sight, i to premium the chief among them New York sight, it is premium. of souls, will rush into revolution and ties to it, and what was it? The conse- were those for which the immediate civil war,particularly against great odds. civil war, particularly against great odds, and endure all manner of hardships and privations, and face dangers of every kind in a terrible struggle of years, without some adequate cause, or from any combination of base and unworthy, selfish actors were not responsible. The model whom the Constitution was a compact to the states, to which they alone were as various as the causes; but one were as various as the causes; but one thing is absolutely certain, that there is no intelligent man in all the South, who were parties; for whom the Constitution to those for whom the Constitution was a compact to the states between the States, to which they alone were as various as the causes; but one thing is absolutely certain, that there is no intelligent man in all the South, who was a compact to responsible. The model in the states are not responsible. The model in the states are not responsible. The model in the states are not responsible. The model inght ings to medium leaf. Cotton, low were as various as the causes; but one thing is absolutely certain, that there is no intelligent man in all the South, who were parties; for whom the Constitution to the states, but their output to the states are not responsible. The model in the states are not responsible. The states are not missed by a few artful and designing ment. He who thinks either must have so poor an opinion of the human race as not to think men, even when intelligent and well informed, fit to govern themselves; and he ought to despise those of the own race and blood as asses, or hate them as knaves. The leaders who act upon any such hypothesis, may hold or wicked motives, or because they are upon any such hypothesis, may hold and the minorities, to be continually power for a little while; but they are guarded against,—to them the General enough to be Shade or said to be such as their graves, is not wise guarded against,—to them the General enough to be Shade or said to be such as their graves, is not wise guarded against,—to them the General enough to be Shade or said to be such as their graves, is not wise guarded against,—to them the General enough to be shaded as their graves, is not wise guarded against,—to them the General enough to be shaded as their graves, is not wise guarded against,—to them the General enough to be shaded as their graves. but poor pitiful charistans, who are not fovernment would often seem to usurp enough to be a soldier. great enough to comprehend that every power, and the rights of their States to people of the Saxon, Norman, Keltie or Latin race, has a heart that feels, and

interest and action necessarily arose, and illies not always asleep.

It is very amusing to hear and read the speculations and dogmatic opinions of Northern men, soldiers and civilians, as to the causes of our late civil war. They all begin by assuming that Secession was a crime to be punished, or at least one that it is generous in them to pardon and forgive; and all their action and legislation since the war ended by the exhaustion of the South are based upon this radically erroneous idea. Of course it results are diseastons. It is never as the course, and in the populace. None of these proposed in the number of effects; and when men air for the decision of the results are diseastons. It is never as crime in a people to attempt to win its independence, or to revolt against the governing power, whatever that may be; because he possible populace. None of these and succession of an adsourate some, now without an adsourate some one, without an adsourate some one, without an adsourate some, now without an adsourate some one, without an adsourate some, now without an adsourate some one, without an adsourate some, now without an adsourate some, now without an adsourate some, now without an adsourate some one, or without an adsourate some one, or without an adsourate some one, or without an adsourate some one, or without an adsourate some one, and illies from house solemn and momentors that has ever taken place in this life. Bit in the Routhern people, will be tried for his life, shigh crime being the Scotthath of the Southern people, will be tried by a jury of negroes and malignant whites, and every possib a soul that reflects, and a conscience that because no people does either without an adequate cause, nor without sufficient reason for it, whatever the Ruler may think of it, and how unjustifiable seeser the attempt may seem to him; and histhe attempt may seem to him; and history amply proves that the most justifiable attempts have generally been the
most unsuccessful ones. The first American Revolution had for its estensible
cause the taxation of the Colonies by a
Parliament in which they were not
Parliament in which they were not
represented. But it is the same thing
to effect, if a minority of States are

DASHERS."

Well, it is simply two acrew-propeller wheels attached to the lowerend of a staff or handle-rhich is placed in the "old fashloned" wooden or tub shurn, and worked in the same manar precisely as the "old Dusher"- these two wheels revolve rapidly and in counter directions

Why, so very simple when seen, that not a word of explanation is necessary. Why - Hiddy," Aunt Dinah," or the eight year old child can both understand and see R, and couldn't fer their lives imagine any other purpose for it. Is it durable and substantial, sir?

will not make Butter as quick as the bounted "Five Minute" and other "lightning" Churns, nor would we have it so quick, for the very plain and simple research that the extraordinarity sugar operation of such Churns yields us the result a mass of SOFT, LAKOF, unsuring and, instead those RICH, GRAINY, WAXY, FIRM and LIVELY QUALITIES which constitute REAL OOD BUTTER. Well, sir, I have one of the "old fashioned" Churus-an o'd family relic of several gra ons past, and do I understand you that nothing more is required than one of the " PIN-LEY DARBERS " Nothing clas whatever to complete the SIMPLEST, CHEAPENT, and MUST SATISFAC. TORY CHURNING APPARATUS that the world has yet produced.

Well, friend, once more excuse ms, sir-right well p exced, but a little suspicious Casholp it. Are you more this is not one of the Yankes humburs—one of the "Machine Nature or one of the "Hab of the Universe Hams" sort of friers; sit h hams that would, to look up.

own true merits, win its way into every household in the land, North and South. The limber is open to competition, and for "common sense," every day practical use and household economy, we say to Yankso or anybody clas, REAT IT IF FOU CAN.
